The Market Day Journey

This journey has been more than just a project for our students. They have gained practical business experience, learned the value of teamwork, and developed a range of skills, from budgeting to customer interaction. Beginning with a bake sale, they raised funds to purchase materials for their products, putting into practice budgeting and planning. This experience has not only taught them entrepreneurial skills but also instilled a sense of responsibility and pride in their work.

Join Us on December 4th!

We invite everyone in our school community to join us on December 4th for Market Day. This event is an opportunity to support our students' hard work and enthusiasm. Each purchase directly supports their learning journey and inspires them to continue exploring their potential.
