

*Our Lady of Mercy College is a Member (change to Champion when appropriate!) School of Sanctuary. This means we strive to make our school as safe, welcoming and inclusive as possible for all students and their families.*

*By adopting the three Sanctuary Principles, LEARN/ACTION/ SHARE, we are becoming an ever more inclusive and empathetic place of intercultural learning and practice. We are learning to understand and respond to the challenges and needs of those who seek sanctuary in our school, our community, in Ireland and in the wider world. We celebrate and welcome diversity in all its wonderful forms and colours and we are proud to act as a beacon of sanctuary and kindness in our community.*

*For more information, you can visit <https://schools-ireland.cityofsanctuary.org>*

*Feel free to add additional information that is relevant to your school! School committee, link teachers, how to get involved, photographs etc.!*
